EN QUICK START GUIDE

FEATURES

- High-quality 50mm speaker drivers for maximum audio clarity.
- Ultra-lightweight design optimized for gaming.
- Large, double-seamed ear pads for enhanced comfort.
- Removable, high-sensitivity microphone.
- Compatible with playstation 4 & playstation 5, PC, nintendo switch, switch 2, and xbox consoles.

CONNECTION INSTRUCTIONS

To use the headset with the devices listed below, insert the 3.5 mm audio connector into the appropriate audio interface port on the device.

To enable the headset's LED lighting, connect the USB cable to an available USB port.*

Compatible Devices:

- Playstation 4
- Playstation 5
- Xbox one
- Xbox series X/S
- Nintendo switch
- Laptop computers
- All-in-One PCs

*The USB connection is used solely to power the LED lighting and does not transmit audio.

DESKTOP PC CONNECTION

1. Connect the supplied Y-adapter cable to the headset's 3.5 mm connector.
2. Insert the adapter's microphone and audio connectors into the corresponding microphone input and audio output jacks on the desktop PC.
3. To activate the headset's LED illumination, connect the USB cable* to an available USB port on the PC.

*The USB connection is used solely to power the LED lighting and does not transmit audio.

CONTROLS

1. **Volume Wheel:** Adjusts the audio volume level.
2. **Microphone Button:** Toggles the microphone on and off.

GR ΣΥΝΤΟΜΟΣ ΟΔΗΓΟΣ ΕΚΚΙΝΗΣΗΣ
